To

All the National Federations who have ITO's nominated to judge at the Pan Championships/Qualification Race for the Pan Am Games.

Dear COPAC National Federations,

For your information, attached is the list of ITO's selected for the Pan Championships/Qualification Race for the Pan Am Games.

Congratulations to those ITO's from your National Federation. An email has been sent to all of the nominated officials. The list of officials was selected with the help of the ICF Canoe Slalom Committee at our annual meeting held last week in Barcelona.

Either myself or the Organization committee from Três Coroas will be in contact with more details soon.

King Regards,

Eric Lokken

COPAC Canoe Slalom Chairman
